

Alu Premium - ALU75

Innovative aesthetical style, all-aluminium structure, pre-assembled aluminium LNB arm
Linea innovativa, struttura interamente in alluminio, braccetto in alluminio pre-assemblato

Aluminium
LNB Holder
Porta LNB
in Alluminio

Multifeed bracket ($3^{\circ} \div 14^{\circ}$)
Multifeed regolabile ($3^{\circ} \div 14^{\circ}$)

Easy and fast assembly thanks to the practical reflector-hanging system and the pre-assembled LNB arm

Assemblaggio semplice e veloce grazie al pratico sistema di aggancio del riflettore ed al braccetto pre-assemblato
